TERMINOLOGY

DEFINITION

Enplaned	Passengers, cargo, and mail boarding an aircraft.
Deplaned	Passengers, cargo, and mail disembarking an aircraft.
Revenue	Passengers, cargo, and mail whose transportation has been paid for.
Nonrevenue	Passengers, cargo, and mail whose transportation has not been paid for.
International Transit:	
True transit	Passengers who clear U.S. Immigration and Customs at Honolulu International Airport (HNL) and then proceed to another city.
Bonded transit	Passengers who are held in a sterile lounge area and reboard an aircraft without being processed by either U.S. Immigration or Customs.
Domestic Transit:	
U.S. to Foreign	Passengers who arrive at HNL from the Mainland or the Neighbor Islands and reboard an aircraft destined for a foreign country (without leaving HNL).
Neighbor Island (N.I.) to Mainland	Passengers who arrive at HNL from a Neighbor Island airport and reboard an aircraft destined for the Mainland (without leaving HNL).
Aircraft Operations:	Total aircraft movements, landings and takeoffs combined. Reported by the United States Federal Aviation Administration's (FAA's) air traffic control towers.
Air Carrier Operations	The landings and takeoffs of large commercial aircraft having more than 60 seats.
Air Taxi Operations	The landings and takeoffs of small commercial aircraft having 60 seats or less.
General Aviation Operations	All types of civil aviation including private jets, corporate jets, and helicopters. General aviation excludes commercial and military aircraft operations.
Military Operations	All military landings and takeoffs, including military helicopters.
